

The following sad news was just received from Golden Eagles member Sean Heath regarding the last flight West of former Continental pilot Mike Hall. Sean's email and a note from Mike's wife Jane are posted below. The Golden Eagles sends its condolences to Mike's family and wishes him Godspeed on his final flight West.

While Mike was not a Golden Eagles member, we are providing this notice of his last flight West as a courtesy to his memory, to his family and friends and to those of our members who may have known and flown him during their careers.

Additional information will be provided as it is received.

Dave: I just heard from Jane Hall, Mike's wife, that Mike passed away yesterday. Mike was an Army Ranger and a Legacy Continental 777 First Officer. Mike was 60 years old and is survived by his wife and two sons.
