Hello Dave,

.

I was very saddened to read your e-mail in reference to Steve Wyman. He was a really nice guy and a lot of fun in the cockpit. He was a good pilot AND a good captain, the highest rating in my book. He will be missed.

.

The attachment with this message is a picture of Steve in the cockpit of aircraft 622, one of our 737s. It was taken on Sunday, 28 January 1996; the flight was #581 from CLE to MIA.
