

The sad news that former Continental Captain Mark Sibilica flew West last year on October 31, 2023 was just received. The limited information we have is that he was a 787 Captain based in SFO. The Golden Eagles sends condolences to Mark's family as they grieve the unfortunate loss of their loved one; may he rest in peace.

The announcement for Mark's celebration of life service is posted below. Any additional information will be posted when it is received.
