

Good afternoon all,

Once again your Golden Contrails editor is issuing a request for input from you folks who have some "what have they been up to?" stories to share with our members. We have had a pretty good response in the past few issues and we trust the membership finds the Crew Room updates from their friends and acquaintances are informative and are useful for keeping up with the coworkers and friends with whom they made many good memories back in the day. For those who desire to submit an update on their activities or meaningful life changes, a form for the purpose is accessible on the Golden Eagles website, www.thegoldeneagles.org, in the Contrails section under the "**Crew Room**" heading. Here is a link to that section for your convenience: <https://www.thegoldeneagles.org/crew-room.html>. Don't be bashful.....your friends would like to know what you have been up to. You can be as brief or detailed with your submission as you desire.

Our members are also encouraged to submit other stories or articles they feel may be of interest to our readers for publication in the "Miscellaneous Stories

and Articles" section of the magazine. These can be submitted to the following email address: davebnewell@gmail.com. The standard practice when publishing any content submitted by a member is to include a photo of the member with the article or story. If you have not yet submitted a photo to the Golden Eagles for inclusion in the member database and photo roster, it would be helpful if you would include your photo with your submission and it will also be included in the member database and photo roster.

Thanks for helping to make the quarterly Golden Contrails magazine more informative and enjoyable for our members,

Dave
