This is just a quick heads up for the Denver Golden Eagles LAC (Local Area Council) members and non-members. There will be a get together at Lodo's Bar and Grill at C-470 and Quebec from 2-4:30 tomorrow, Wednesday, Aug 14. The address is 8545 S Quebec St, Littleton, CO - (303) 346-2930. All Continental/United retired and active pilots are invited, and spouses are also welcome.

Russ McKnire is the LAC leader in Denver and he normally notifies the Denver LAC members of these gatherings, but since yours truly, Dave Newell, is in Denver for the summer and I am planning on attending the gathering, it seemed appropriate to send out a notice to all members in hopes of reaching the Denver folks who may not be aware of the get together.

So if you are in the Denver area tomorrow, come on by and have a cool one, some good food and a fun visit with some of your old friends.

See you there,  
Dave
