

The sad news that Golden Eagles member Captain Jeff Burke took his last flight West was just received from Golden Eagles member Fred Ordway. Jeff left Korea returning to DFW and had a heart attack when he deplaned last Saturday.

The Golden Eagles sends its condolences to Captain Burke's family and wishes them peace and comfort as they grieve their loss. God speed Captain and may you have smooth air, favorable winds and clear skies on your final flight West.

Any additional information will be provided when it is received. A photo is currently not available.
