

Tributes to Captain Chester James

As you know we all loved Chester, he will always be remembered as a true friend to the Pilot group and those of us who worked for him!!
John Winter

Chester was my very first contact in Denver after I completed second officer training. He was my second officer supervisor and arranged my IOE. I could always go to him with any problem.

Years later, he was my chief pilot in Houston. I went to him with a rather sensitive situation and he handled it masterfully. He was one of the few who knew how to balance being a pilot versus being an administrator. I haven't seen such a beloved chief pilot before or since Chester.

God speed, Chester.

Sad news about Chester. What a nice guy.
