

The final hard copy of the Golden Contrails magazine has been completed and mailed to all Golden Eagles members in good standing. Golden Eagles President and Editor of the Golden Contrails magazine, Gary Small, has been working diligently on this issue for some time and it is finally in the mail. We owe Gary a huge vote of thanks for his efforts in publishing this memorable issue. This iconic issue of the Golden Contrails is an historic production and will be a cherished addition to our members' collections of Continental memorabilia as well as a convenient desktop reference.

The magazine should be arriving at the residences of our members soon, and the issue has been placed on our Golden Eagles website, [www.thegoldeneagles.org](http://www.thegoldeneagles.org), in the contrails section. Due to the amount of photos, this is a LARGE (and slow) download, BUT remember everyone is receiving it as a paper edition, so one can simply wait for it to arrive.

With the issuance of this publication of the magazine, the password for accessing the magazine, the member rosters and the archived blast emails has been changed to **autopilot**.

The cover page of this final printed issue is displayed below. **[CLICK ON THE COVER PAGE BELOW TO BEGIN DOWNLOADING THE DIGITAL ISSUE TO YOUR COMPUTER IF YOU DESIRE.](#)**
