

## **Captains Warner, Manfredi and Smith have flown West**

This Gone West notice is to advise our members of three Continental pilots who flew west in 2022 and 2023. Notice of their passing was not reported to us by a Golden Eagles member, and since we had no knowledge of their passing, no notice was provided in a Gone West notice to our members. Since we received only very limited information regarding these gentlemen, this notice will serve to provide only their names and the dates of their passing. We of course regret their passing, and send condolences to their families for their loss. May they rest in peace.

The names of the pilots and the dates of their passing are posted below:

|                           |               |
|---------------------------|---------------|
| Captain Terry O. Warner   | December 2022 |
| Captain James A. Manfredi | February 2023 |
| Captain Thomas S. Smith   | August 2023   |

If any of our members have access to additional information for any of these

pilots, please send it to [davebnewell@gmail.com](mailto:davebnewell@gmail.com). An obituary would be preferable if it is available. Any additional information will be provided to our members as it is received.
