

Golden Eagles member Dave Furuli has provided the following sad news regarding the health status of former Continental Flight Attendant Rose Abney. Rose is the widow of former Continental pilot and Golden Eagles member Jim Abney, and she has maintained her Golden Eagles status since his passing. The Golden Eagles wishes Rose and her family peace and comfort as they cope with her illness.

*Dave Furuli's message:*

*Rose Abney, long time Continental flight attendant, has been fighting cancer for four years. She is currently in hospice care at her home in Castle Rock, Colorado and is not expected to live long. Rose is the widow of Jim Abney who was a pilot in my hire class in December 1966. Jim took a position with the legal department with Alpa during the strike and did not return to flying when the strike ended. Rose is a delightful lady and I know many pilots will remember her with fondness. If any of the membership is interested in further information they may contact her daughter Stacey Benson at 303-588-2021. Jackie and I have maintained a close friendship with Rose for many years.*
