

The sad news that former Continental Captain Curtis Landry has flown West was just received from Golden Eagles member Captain Charlie Boone. Apparently Curtis succumbed to heart failure on February 11, 2023; he reportedly was awaiting a heart transplant. There are no other details available at this time. Additional information will be provided when it is received.

This limited, preliminary report is being provided pending the receipt of more complete information from Curtis`s family in order to advise our members of Curtis`s passing in a timely manner.

The Golden Eagles sends condolences to Curtis`s family as they grieve the loss of their loved one. Rest in peace Captain, and Godspeed on your final flight West.
