

JIM MCBRIDE

The sad news that former Continental pilot Jim McBride has flown West was just received from Golden Eagles member Gordon Harper. Apparently Jim experienced a heart attack

during a 5K run. Medics treated him at the scene and were able to restart his heart but unfortunately were not able to restore brain activity.

The Golden Eagles sends its condolences to Jim`s family and wishes them peace and comfort at this difficult time. More information will be provided as it is received. The above photo was taken from the "Tale of the Golden Tail" yearbook published in 1980.

Rest in peace Jim, and Godspeed on your flight West. You will be missed.
