

Greetings everyone; we hope you are enjoying your summer. Please take note that the August issue of the Golden Contrails magazine has been posted on the Golden Eagles website, www.thegoldeneagles.org, and has been mailed to those desiring the hard copy of the magazine. As always, with the publication of the tri-annual issue of the magazine, we have changed the password for accessing the Golden Contrails magazine, the member rosters and the archived blast emails. The new password is **yaw**, all lower case. As a reminder, the password is not required for accessing the GE website itself; it is only required to access the three sections mentioned above.

Once again, our President Elect and Magazine Editor Gary Small has produced an excellent publication. Thanks to Gary for all his work on the magazine.
