The sad news that former Continental Captain Robert Foley took his last flight west on July 29, 2019 was just received from his daughter Robin; her email is posted below. No photo is available at this time.

The Golden Eagles sends it's sincere condolences to Bob`s family and wishes them peace and comfort at this difficult time. Rest in peace Captain, and God speed on your final flight west.

It is with a heavy heart that I tell you my father, Captain Robert Augustine Foley passed peacefully this morning. Dad had recently contracted pneumonia, and lost his battle. Although we're certain he is now in a better place, he will be greatly missed. Dad had an infectious laugh, a mischievous smile and a kind manner that will never be forgotten.
The family is putting together Arrangements Ferry funeral / service. We will be reaching out to other family members and friends who would like to join us for his celebration of life. I do know there will be a ceremony and shortly thereafter we will be hosting a celebration of life at his residence, which will be catered. We invite anyone who would like to come to bring their best stories of Dad with them to share with everyone! Arrangements have not currently been completed with dates as of yet, but once I have that information I will forward it on to you. We think it will be the weekend of August 10th possibly the weekend of the 17th to allow time for travel plans to be made for any "out of towners". I will contact you with more information as soon as I have it; hopefully by the end of the week. Please feel free to share this email with any and all that knew him.

Much love to all of you.
Sincerely,
Robin Foley Costigan & The Foley Family
