The sad news that retired Continental Captain and Golden Eagles member Don Keown has flown West has been received from his wife Judy Keown. Don passed away in mid-June and his wife Judy is in the process of sending some details regarding Don`s life for us to share with our Golden Eagles members.

Don was a former United States Marine Corps pilot and flew the F-4. He was 81 years of age when he flew West. The above photo is circa 1980 and is from the Continental Airlines/ALPA "*Tale of the Golden Tale*" publication from that year. An updated photo will be provided when the additional information is provided by Don`s family.

This notice is a preliminary one so that our members can be notified of Captain Keown`s flying West in a timely manner. The additional information will be provided when it is received from his family.

The Golden Eagles sends condolences to Don`s family and we wish for them peace and comfort as they grieve their loss. We wish for Captain Keown smooth air, favorable winds and clear skies for his flight West. Rest in peace Captain, and Godspeed on your final journey. You will be missed.
