

This is a quick note to advise our members that the password for accessing the Golden Contrails magazine, the member rosters and the archived blast emails on our website has been changed to **stall**. The August edition of the Golden Contrails will be posted on our website in a few days. A notice will be sent advising of the posting. The hard copy of the magazine has been mailed to those members requesting a copy via US Mail and it should be arriving for those members in a week or so.
