

# THE GOLDEN EAGLES

**Jack W. Johnson**  
**10/22/1937-6/03/2021**

The sad news that Golden Eagles member and former Continental Captain Jack Johnson took his last flight West on June 3 was just received from Golden Eagles members Ken and BJ Bellerue. The Golden Eagles sends condolences to Jack's family and wishes them peace and comfort as they say goodbye to their loved one. We wish Jack favorable winds, smooth air and clear skies for his final flight west. Rest in peace Captain, and Godspeed.

Additional information will be provided as it is received.

*Here is the email received from BJ Bellerue regarding Jack`s passing:*

*Hi Dave, Here are some facts for Jack Johnson. He was born on 10-22-37 and he was hired by CAL on 9-14-64 and was based in Dallas Love Field. He retired earlier than the age 60 requirement from CAL while flying captain on the B-727. His retirement was due to medical reasons. He is survived by his daughter Andrea, grandson Townes, and loving partner Marie. Jack was a beloved friend of our family and we will miss him. God speed on his journey west!*

*BJ*
