

Our President Elect and Golden Contrails magazine editor, Gary Small, has advised that the April issue of the Golden Contrails magazine has been posted on the Golden Eagles website by our Webmaster, Bruce Sprague. It can be accessed by going to our website at www.thegoldeneagles.org, [the Contrails section](#), [the Magazine Download section](#) and then scroll down and click on the posting for the April 2020 issue. The issue still contains references to our now cancelled annual convention since the draft of the issue was completed prior to the time the decision to cancel the convention was made. The password for accessing the magazine is **acars**. The new password will be issue after May 1, 2020 and a notice will be issued at that time.

The hard copy of the magazine will be sent to the post office for mailing next Monday, so those who have opted to receive the magazine via U S Mail should have their copy shortly thereafter.

Thanks to Gary for putting together another great Golden Contrails magazine.
