

Golden Eagles member Tom Long has advised that Golden Eagles member Captain Jerry Hunsinger is in the VA Hospital in Grand Junction, Colorado due to complications from recent neck surgery. Tom advises that Jerry is unable to eat normally and must get nourishment from a feeding tube. The Golden Eagles sends its condolences to Jerry and we hope he has a quick and complete recovery.

Additional information about Jerry`s condition will be provided as updates are received.

Your Golden Eagles friends are thinking of you Jerry.....get well soon.
