

The new password for accessing the Golden Contrails Magazine, the member rosters, the officer documents and the archived blast emails in the Golden Eagles website, www.thegoldeneagles.org, is **airspeed**.

The password is not required to log on to the website; it is only needed to access the above mentioned sections in the website. You will be prompted to enter the password where it is needed.

Our Treasurer/Webmaster, Bruce Sprague, has revised several sections of the website to reflect some of the changes recently made to our business model, so you might want to check it out to become familiar with the revised sections.

As a reminder, if you received this email as an official notice from the Golden Eagles, as opposed to receiving it as a forwarded email from a member, then you are a dues paid member for life, and you do not need to pay any dues at anytime in the future. You will be retained on our records as a member until you advise us that you no longer wish to receive our communications.

Any member who is non-current as of May 1, 2020 has been removed from our communication lists and will need to re-join in order to receive our communications. Details are on our website.

Good health to all,
Dave
