

**CAPTAIN RICHARD "DICK" HILLMAN**

**July 14, 1938 - November 6, 2023**

The sad news that former Continental pilot and Golden Eagles member Captain Richard "Dick" Hillman has flown West was just received from Golden Eagles member Captain Art Swanson. In a phone conversation with Dick's wife Midge,

it was learned that Dick flew west on November 6, 2023. He was 85. Apparently Dick had been exercising with his usual swim and had subsequently indulged in a hot tub session. Sadly, he was later found unresponsive in the hot tub and had apparently suffered a massive heart attack. Midge stated that Dick had a history of recent mini-strokes and some other health issues which may have contributed to this sad occurrence.

The Golden Eagles sends condolences to Dick`s family and wishes them peace and comfort at this difficult time. May Captain Hillman have favorable winds, smooth air and clear skies on his flight West.

Rest in peace Captain, and Godspeed on your final journey.
