

In July of 2021 a Gone West notice was posted for Continental Captain Joe Rodehorst, who sadly flew West on July 21, 2021. The notice stated that due to the limited information available at the time, any additional information would be provided when received.

We have finally received an obituary from Golden Eagles member Captain Darby Kelly for Captain Rodehorst and it is posted below. Thanks to Darby for providing this information, and the Golden Eagles again sends condolences to Captain Rodehorst's family for their loss. In spite of the time since Joe's flight West, it was felt that those who knew and flew with him would appreciate this information.
