

The sad news that former Continental Captain William Marshall has flown west was just received from Golden Eagles member Captain James Tucker. The email from Captain Tucker is posted below:

Captain Bill Marshall passed away this past August from a cancer. His wife, Patti, is holding a "Celebration of Life" for him at the Houston Veterans Memorial Cemetery October 11, 2023. The gate opens at 11am and the ceremony will take place starting about 11:15am. It will be outside, so those pilots who knew Bill or flew with him, are invited to attend. Dress is casual (just no shorts). The scheduled service will be weather permitting.

Captain, Retired*

The Golden Eagles sends condolences to Captain Marshall's family and we wish them peace and comfort as they grieve their unfortunate loss. Rest in peace Captain, and Godspeed on your final flight West.
