

Golden Eagles member and President Elect Gary Small has provided the following sad news regarding the passing of Golden Eagles member Leon Scarbrough's wife Vicky. Gary's notification message is posted below.

We are saddened to report that Golden Eagles member, Leon Scarbrough, lost his wife Vicky on Christmas Day. Vicky had been battling cancer for many years. They met in the "Summer of Love" (1968) and were married a few years later. Leon is also under treatment for cancer and was the author of the articles titled "Stage 4 - Parts 1 and 2" featured in the August edition of the Golden Contrails. In addition, Leon was the Secretary Treasurer of the Retired United Pilots Association (RUPA) for a number of years and has been instrumental in the improved cooperation between our respective retiree organizations.

Leon, often understated, remarked "it was not a great Christmas". The Golden Eagles sends its condolences to Captain Scarbrough and his family and hopes they find peace and comfort at this difficult time.
