

The sad news that Golden Eagles member Captain Gary Wilsey has taken his last flight West was just received from Golden Eagles member Captain Bob Stunkard. Bob's email is posted below:

I Talked to Gary's wife today. Gary Wilsey passed away this past Monday, July 31, 2017 after a fairly long illness. Gary was a long time Continental pilot, Captain, and LAX Flight Manager. Gary was also very active in the original Air Micronesia operation. After the CAL bankruptcy, Gary joined FEDEX and retired as an MD-11 Captain and again was a base Chief Pilot. Lanetta, his wife, said no services are planned at this time and their son Clint will be planning an obituary for the Golden Eagles.

Robert E. (Bob) Stunkard

Gary was a lifetime member and a Past President of the Golden Eagles.

The Golden Eagles sends its condolences to Captain Wilsey's family and wishes them peace and comfort at this difficult time. Godspeed to Gary on his final flight West and may he have fair skies, smooth air and favorable winds as he takes his final journey.

Further information will be provided when it is received.
