

Remembrances of Mark Meyer and Jim Richman continue to come in. The latest three have been posted below.

From Paul Curs, re Mark Meyer:

He was a class act in everything he did.
Thoughtful, genuine, and a true pleasure to associate with at the training department.
We've lost one of the best that ever wore USAF and CAL wings.
Peace and comfort to his family.

Paul Curs

From Nick Johnson, re Mark Meyer:

I worked with Mark in the training department for many years. He was a superb instructor...professional and knowledgeable in all of his duties. He was also one of the nicest and most caring people I have ever known. Mark might wince at a Navy saying, but here goes...."wishing you fair winds and following seas on your final flight west". RIP Mark.. The world was better when you were in it.

Captain
Continental Airlines (Ret.)

From Mike Wade, re Jim Richman:

As a new second officer I had the pleasure to often fly with Jim. Not only a great aviator he was a fun person to fly with. Jim was one of the Captains who exemplified the attributes of being a good captain and leader. I learned much

from my time with Jim.

Have a smooth flight west my friend and fellow sailor.
