The Convention details are NOT up to date....stay tuned for updated details later. Right now, be sure to save the dates!"

> Golden Eagles Secretary Gary Small recently sent out targeted emails to all members who have not as yet paid their 2016 dues that were due on Jan 1. Members who have not paid their dues by 4/30/2016 will be removed from the good standing lists and all Golden Eagles communications with those delinquent members will be discontinued until their dues are paid. Gary will continue to send targeted email to only those members who remain delinquent prior to the April 30 cutoff date. The Golden Eagles website, www.thegoldeneagles.org, has everything you always wanted to know about paying your dues. Check the Pay Dues & Postage heading in the Membership section for full details. You can also click on the banner posted on the home page under the picture of the 757 labelled "click here to pay dues". You will be taken directly to the Pay Dues & Postage section under the Membership heading.

This new delinquency policy was approved at our last Executive Committee meeting and announced at the annual business meeting during the convention in Houston. We appreciate the response of those members who have made a timely payment of their annual dues.

Gary is still requesting that members who have not submitted a full face photo (passport type) to him for inclusion in our member photo roster on the Golden Eagles website to please do so. A full size JPG photo as it comes out of the camera should be sent to Gary Small at smallgd@outlook.com, his email address to be used for photo submission only.

> The following offering of special discounts to Golden Eagles members by Aero-Marine is posted for our members benefit. This offering is also listed on the Golden Eagles website, www.thegoldeneagles.org, under Promotions and Offers in the Travel section.

Hi Mr. Sprague,

I was given The Golden Eagles website by a retired United employee (one of our clients). I see Perx is listed on your website and I wanted to know how we can also be listed. Aero-Marine was founded by a captain from United Airlines and we have been in business since 1979. Please take a look at our website for all the cruises and tours we offer www.aero-marine.com. I would be willing to offer a free 6 month membership to your members.

Please let me know if this is possible and thank-you for your help!!

> The photo of the presentation of the Golden Eagles check for \$3500 to the United We Care Fund by the Executive Committee members was on the United flyingtogetherwebsite, <http://flyingtogether.ual.com/>, in the Lounge section. It has been removed but for those who did not see it the photo is posted below.

The photo is also on the Golden Eagles website, www.thegoldeneagles.org, under the Care heading and then the Care Program sub-heading.

> Golden Contrails Magazine editor Shaun Ryan continues to request that our members send him material suitable for publication in future issues. He would like to receive material that describes interesting activities of our members such as trips taken and hobbies. Also of interest could be interesting anecdotes concerning our members, Continental/United Airlines or aviation in general. Generally any article that might be of interest to our members can be sent to Shaun for his review. Here is his written request for this material:

Hi everybody - it's your favorite editor (OK, the only editor) of Golden Contrails and I am being allowed to use a small portion of the blast mail to remind all of you that told me you had a neat article/story for the magazine to finally sit down and write it and email it. I have the next edition pretty much filled up but the August edition is still looking pretty slim so if you have a good flying story or have taken an interesting trip or have decided that jumping out of a perfectly good airplane is OK and are taking sky diving lessons, let the rest of the Golden Eagles know. You reach them by sending me an email with the story/article and I will edit it to fit, check spelling and punctuation and publish it for the amazement and delight of your fellow Golden Eagles.

Thanks.
