

Greetings to all Hill Country Golden Eagles members. It appears that we have had a sufficient number of positive responses (21 out of 34) to the proposal for regularly scheduled LAC luncheons for the program to proceed. I believe we will have additional positive responses forthcoming soon.

After input from our members, the first luncheon has been scheduled. The luncheons will be held quarterly and the first luncheon is scheduled for Wednesday, Jan 17, at 1130 AM at the Pecan Street Brewery/Restaurant, 106 E. Pecan Dr. in Johnson City, TX. The phone number is 830-868-2500. Here is a link to their website for your convenience. <https://www.pecanstreetbrewing.com/> . We will decide on a date and time for the next quarterly luncheon at the meeting in January....probably in mid April, with succeeding meetings roughly three months apart or as determined by the group.

While the luncheon is primarily intended for Golden Eagles members residing in the local area, any GE member is welcome to attend and guests of members are also welcome. We have not planned to include the spouses of members in these meetings, but if enough members express a desire to include them, we can certainly open the luncheons to spouses. The Denver LAC **does** include spouses, but the Kingwood, Conroe and The Woodlands, TX LAC's **do not**. If you wish to express your opinion on this issue, please do so by email to davebnewell@gmail.com. It is understood that Golden Eagles members living in the area may not be able to attend every LAC luncheon. We would just hope that these members will make a reasonable effort to support this program and will attend when they are able.

Because of the relatively long distances our attendees will have to drive (an average of about an hour + or -), a list of the members who will likely be attending is provided so that those who may wish to arrange for carpooling can do so by contacting attendees who live close by. The members responding in favor of the luncheon program so far are indicated in the list below in **bold and red text** and they are the ones most likely to attend. Below the posted list is a link to the list for downloading to your computer for saving as a file or for printing.

SAN ANTONIO/AUSTIN AREA GOLDEN EAGLES MEMBERS

Likely Luncheon Attendees in Red and Bold Print

As of 11/30/2017

[Click here for a Link to downloadable member list with likely luncheon attendees:](#)

Updates will be provided if and when more members respond to the proposal email. If there are any members who request a change in the protocol or any of the details of the luncheons, those suggested modifications will be submitted

to the members for their input and a subsequent decision by the group. Clearly after the first luncheon we will have a better feel for how the members want to proceed with future luncheons. This is a work in progress, so your input is welcome.

Now put the luncheon date and time on your calendar and I will send out a reminder email around the first of Jan to

help all you old farts  with lousy memories to remember the event (if I don't forget to do it!) 

I am looking forward to a fun get-together and I hope all of you are as well. See you then, and stay tuned.....

Dave
