Email from Steve Poppe:

Hi Dave,

Thought I'd pass along since nobody else has...

Captain David Anderson flew west on Thanksgiving Day. He died of parkinson's. Don't know if he was a member.

Never heard any details of the funeral. Thought everyone should know.

Steve Poppe

The Golden Eagles sends its condolences to Captain Anderson`s family and hopes they find peace and comfort at this difficult time. We wish for Dave Godspeed as he takes his final flight West, and we hope he has smooth air, clear skies and favorable winds for his final flight. Rest in peace Captain Anderson.
