

The sad news that yet another former Continental pilot and former Golden Eagles member has flown West was just received from Golden Eagles members Gordon Harper and Jim Caldwell. Captain Steve Hane took his last flight West last Friday, Nov 10, 2017. The available details are posted in the email from Gordon Harper below. Steve, like Bill Hopper who passed on the same day, was a former Golden Eagles member, but due to his illness he had terminated his membership.

The Golden Eagles sends its condolences to Steve`s family and wishes them peace as they grieve the loss of their loved one. We wish Steve Godspeed on his final flight West, and may he rest in peace.

We will provide further information as it is received. The email from Gordon Harper and Jim Caldwell notifying us of Steve`s passing is posted below.

*Here's another one for you, Dave.

I flew with Bill Hopper many times and always enjoyed the trips. I received a call from Rae Hane on Friday saying her husband Steve passed away that am. Steve was in my new hire class and flew out of Lax and Air Mic. He was a good friend and never returned from the strike. He died in Tucson from Alzheimer's.
