*From Beau Brandt on FaceBook:*

*Don't know how many of you knew the 737 Captain/APD Mark Meyer, a 78' hire and was in charge of Buckley AFB In Denver, US Air Force Academy graduate - so many accomplishments and a wonderful man and father. My mother had his children in her first grade class and I grew up with their family and wouldn't be here today without his mentoring and help. He retired about 7 years ago, worked in the training department since 1994 and after retirement became an ordained minister. He was so well respected and touched a lot of people. He passed away this weekend at still a young age and very sad-*

*He used to come to my elementary school and talk to the kids in a military USAF uniform and also his CAL uniform. He is survived by his wife Kim, and sons Chris, Eric and Patrick-*

*Cards can be sent to Meyer family at:*

*8300 Tim Tam Trail, Evergreen, Colorado 80439.*

*I don't know any details yet about his service, etc, but I'm sure they will be in Evergreen, Colorado. I'll try to post more details when I hear more.*
