I'm sad to report that my good friend, Armand Baughman, who was a retired Texas International and Continental pilot passed away on the 26th after a battle with cancer. Below is the notification that I received from his wife, Sherry.

Sadly, I have to tell you that Armand passed away on April 26. He gave cancer (Esophageal) the fight of his life. He passed away at home. No service..he will

come home after cremation.
