

The sad news that Golden Eagles member Captain Jim Sullivan has flown west was just received from Golden Eagles member Captain Dan Murphy. Dan`s email is posted below.

Dan Murphy`s email:

I received some very sad news that my close friend Captain Jim Sullivan passed away earlier today(4/7/23) at the Houston Hospice in Houston, Tx after a short two day stay. Jim was critically injured during a fire at his home in Spring, TX a few days ago. He is a member of the Golden Eagles and flew for both Continental Airlines and Air Mike as well as Peoples Express and Federal Express where he retired. More recently Jim was a B17 pilot for the Lone Star Flight Museum at Ellington Field in Houston and also a corporate captain flying for a local Houston oil company. If it had wings Jim could fly it and he was one very gifted pilot. Services are pending and will probably include a funeral in New York and a Celebration of Life at the Lone Star Flight Museum in Houston. When more details are available I will forward them to you for distribution to the Golden Eagles membership. A very sad day for his family and for those of us

who knew Jim.
