

Golden Eagles Secretary David Rossetter has updated our member rosters to the latest contact information and Treasurer/Webmaster Bruce Sprague has posted them to the Golden Eagles website, www.thegoldeneagles.org.

Please check your contact information in the rosters at your convenience and advise us if there are any errors by using this link to the [Roster Update Form](#), located on the Website in the Membership section. You can click on the link hi-lighted in blue to go directly to the form on the website. Please note that any roster update information submitted will not necessarily be included in the currently posted rosters, but will be included in the following months rosters on the website around the first of each month.

The current password for accessing the rosters and other secure features on the Golden Eagles website is **heading**. The rosters are located in the Membership section in the [Roster Download](#) subsection and must be downloaded to your computer in order to view.
