

Hi everyone,

Here is the current updated list number two, as of April 2nd, of those who have stated they plan on attending the Golden Eagles reunion in Las Vegas at the Tropicana Hotel on May 3rd and 4th with departures on the 5th. We hope those who have not committed to attend will decide it is a great time to get back out in the world after the last two years of craziness and have some fun with your friends. All the details are on our Golden Eagles website, [www.thegoldeneagles.org](http://www.thegoldeneagles.org), under the Reunions, Las Vegas 2022 heading and in our monthly updates sent out on the 15th of each month.

We will have more updates as we get more responses from those planning to attend. We have been busy planning a nice hospitality suite for our enjoyment, and we hope to see you there for complimentary drinks, snacks and sharing of great memories. Now break out your ugliest Hawaiian Aloha shirt (or whatever) and come join the festivities.

Remember, unlike past "conventions" where we had a banquet with cocktail hour, ladies auxiliary lunch, business meeting and a hospitality suite, this time we are only having a "super" hospitality suite which will provide a venue for gathering and socializing with your favorite complimentary beverages and finger foods. The suite will be open and accessible during select times of the reunion during "normal" daytime and evening hours for socializing with drinks and snacks. A meet and greet hour will be held on the 3rd and 4th with hors

point for folks who want to have a meal together to join up for socializing and cocktails prior to their meal and plans for the evening. There are many excellent restaurants in the vicinity on the strip and we anticipate that attendees will make their own arrangements for meals and will likely form up in groups for meals and other activities.

Las Vegas has lots to offer in the way of great food and entertainment; and the protocol for this event is that members can arrange for their own activities such as meals, shows, gambling and pool time as they desire.

The Tropicana has rooms available at reasonable rates, as do many other hotels in the vicinity. We did not obtain a group discount for rooms at the Tropicana as we have done previously since there are many individual discounts available and some members wanted to stay at other hotels. Also, in order to obtain a group discount on rooms, we would have had to guarantee a certain number of rooms and that would have proven to be problematic.

So, come to Las Vegas and let`s have a party.....

*More updates to follow.....*
