

Hi everyone,

***This is a reissue of the reunion update with the exception of the list of attendees which has been updated, a note about ID90 hotel discounts added and information regarding addition of larger venue rooms for cocktail/meet and greet hours in addition to the hospitality suite and a few other minor changes.***

Here is the current updated list number four, **as of April 29, 2022** of those who have stated they plan on attending the Golden Eagles reunion in Las Vegas at the Tropicana Hotel on May 3rd and 4th with departures on the 5th. We hope those who have not committed to attend will decide it is a great time to get back out in the world after the last two years of craziness and have some fun with your friends. It looks like the mask requirement at airports and on aircraft has been cancelled

so it should be a much more enjoyable experience to travel now! 😊

All the details for the reunion are on our Golden Eagles website,

month. In addition a schedule of events will be posted in the hospitality suite and at the front desk at the Tropicana Hotel.

We will have more updates as we get more responses from those planning to attend. Our Event Chairman Loyd Robeson has been busy planning a nice hospitality suite for our enjoyment, and we hope to see you there for complimentary drinks, snacks and sharing of great memories. In addition to the planned hospitality suite, due to the much larger response from members attending the reunion, we have arranged for two meet and greet/cocktail events in larger venues. Now break out

your ugliest Hawaiian Aloha shirt (or whatever) and come join the festivities. Obviously the dress code is Las Vegas casual! Gary Small claims to have the ugliest shirt, but I think he will have lots of competition 😬.

Remember, unlike past "conventions" where we had a banquet with cocktail hour, ladies auxiliary lunch, business meeting and a hospitality suite, this time we are only having a "super" hospitality suite which will provide a venue for gathering and socializing with your favorite complimentary beverages and finger foods. The suite will be open and accessible during select times of the reunion during "normal" daytime and evening hours for socializing with drinks and snacks. Current planning is that **the hospitality suite will be open from 11am to 3pm (this is a change)** and 8pm to 11pm daily. A meet and greet "hour" (actually the venues will be open four hours from 3 to 7 each day) will be held on the 3rd and 4th with hors d'oeuvres and cash bar prior to the evening meal time. Times will be published and posted for attendees access. It will be a gathering point for folks who want to have a meal together to join up for socializing and cocktails prior to their meal and plans for the evening. **The location for the meet and greet cocktails will be the Trago Lounge on the 3rd and the Outdoor Terrace on the 4th. This is a change.** There are many excellent restaurants in the vicinity on the strip and we anticipate that attendees will make their own arrangements for meals and will likely form up in groups for meals and other activities.

Las Vegas has lots to offer in the way of great food and entertainment; and the protocol for this event is that members can arrange for their own activities such as meals, shows, gambling and pool time as they desire.

The Tropicana has rooms available at reasonable rates, as do many other hotels in the vicinity. We did not obtain a group discount for rooms at the Tropicana as we have done previously since there are many individual discounts available and some members wanted to stay at other hotels. Also, in order to obtain a group discount on rooms, we would have had to guarantee a certain number of rooms and that would have proven to be problematic.

**There are pretty good discounts available through ID90 at [id90travel.com](http://id90travel.com).**

So, come to Las Vegas and let`s have a party.....

*More updates to follow.....*
