

The sad news that former Golden Eagles member and Continental Captain DJ Lehman has taken his last flight West was just received from Golden Eagles member Charlie Boone. A notice from his daughter Lisa Lehman McIntyre is posted below. DJ had been ill for some time and he finally succumbed to his illness.

The Golden Eagles sends its condolences to Captain Lehman`s family and wishes them peace and comfort at this difficult time. We also wish for DJ smooth air, clear skies and favorable winds for his last flight West. Rest in peace Captain, and Godspeed.

Additional information will be provided as it is received.

Just wanted to let everyone know that Captain DJ Lehman just took off for his last flight at 18:05 in Hawaii. His wife Asako and my husband TJ and myself were with him when he died. I just wanted to let everyone know. He loved his crews! You are free to fly!
