

The sad news that Golden Eagles member, Captain Don Griffin, took his last flight West on August 24, 2019 was just received from Golden Eagles member Susan Kratt. Susan reports that Don died of complications from Pancreatic Cancer. Additional details of Don`s passing and any services will be provided when they are received.

The Golden Eagles sends it condolences to Don`s family and wishes them peace and comfort at this difficult time. We wish Don clear skies, smooth air and favorable winds on his final flight West. Rest in peace Captain, and Godspeed on your final journey.
