### **Pilot LTD Refund Status rebuttal by ALPA**

The response to our “referral” on the excess LTD funding and surplus has generated a sizable volume of email to both ALPA R&I and your BOD members.

Just as we forwarded the initial alert of the issue by Captain Scotto, we will, in fairness, forward something of a clarification or rebuttal by Fred Greene, Chairman of ALPA R&I (see link at bottom of this message).

I will avoid the temptation to editorialize except to say that this issue has been “out there” for about ten years, and few of our members had been made aware of it until we made it “public”.

membership without checking with him. Once I am notified, however, our loyalty remains with our members and we will continue to forward information that appears to have value to the same. Although many of us have “been there, done that” with respect to company and union issues and politics, the Golden Eagles does not take any position on matters that may be contentious or disputed.

Mr. Greene has requested that members refrain from sending further emails to him. given the clarifications in his statement.

We rely on our members’ good judgement to make their own determinations.
