

Here are a few more tributes to Chester James just received.

As already stated so eloquently.. Chester was one of the best !! Hat's off to a fine man and great leader who was an inspiration to do things right.
Walter Olsen

Good man. Good pilot. Good friend. Good life. We should all try to be a little bit like Chester. Although I haven't seen him in years, I miss him already. From another Navy puke....

Fair winds and following seas, Chester. See you on the flip side.
