

The sad news that former Continental Captain and Golden Eagles member Tom Carr has taken his last flight West was just received from Golden Eagles member Captain Lee Meyners. Tom had been ill for some time and passed away this morning, December 28, 2020.

The Golden Eagles sends condolences to Captain Carr's family and we wish them peace and comfort as they say goodbye to their loved one. Rest in peace Captain, and Godspeed on your final flight.

No services are planned at this time. Any additional information will be provided as it is received.
