

Greetings Golden Eagles members,

This email is to announce the publication of the December issue of the Golden Eagles Golden Contrails quarterly magazine. We are initiating a new process which we feel will simplify and enhance the production process for your volunteer officers, improve the functionality for the members benefit and will provide for the long term survivability of the magazine content for posterity.

Rather than sending a lengthy file to your email, which can and often does end up in a spam folder, we are sending a simple link, or attachment, for you to click on. This simple step will open the Golden Contrails on your computer in a PDF file format which you can immediately read as it is presented on your screen, and then if you desire, you can save it to your computer in any location you choose as a PDF file which is readable on any computer. All you need to do is right click anywhere on the document and select "save as", then just

select from the choices presented to you, such as "desktop", "documents" , etc., where you want to store the file.

Here is the link to the magazine. Click on the Golden Contrails cover page posted below, ***which is the link to the magazine***, and enjoy!

Golden Contrails

December

2022

NOTE:

With this email we are also announcing the **NEW PASSWORD** for accessing the **Member Rosters** and the **Golden Eagles Officer Documents** on the Golden Eagles website, www.thegoldeneagles.org. The password is **not required** to access the Golden Eagles website itself, the Golden Contrails magazine or the Archived Blast Emails on the website. The **new password will be in effect for the remainder of 2023** and a new one will be issued in December of 2023.

THE NEW PASSWORD IS **tower**, all in lower case. Many of you may remember the old Air Force song, "Itazuki **tower**, this is Air Force Eight 0 One".....and so on.... . Think of this song when you are trying to remember the password and it may jog your failing memory!

For those of you who are experiencing a really, really bad memory loss condition, the new password is tower.

For those of you who are experiencing a really, really bad memory loss condition, the new password is tower.

An additional note: The member rosters have been updated and are on the Golden Eagles website, www.thegoldeneagles.org, in the Membership section under the Roster Download heading. Please check your contact information and send any needed corrections to us by using the Roster Update Form in the Membership section on the website.
