My Fellow Pilots,

John Huber, retired old Continental Pilot, passed away February 27, 2019. He passed at home surrounded by his family.

John was a B727 Second Officer Instructor checking out new Flight Engineers. He also was a pilot representative for the Air Line Pilots Association negotiating committee. He was also involved with the starting of Pride Air.

John had a vending machine company for many years.

His wife, Teri Huber, retired Continental Flight Attendant, advised me that services are pending.
