

UPDATED MEMBER ROSTERS ON WEBSITE

The member rosters have been updated and are currently available on the Golden Eagles website, www.thegoldeneagles.org, Membership, Roster, Roster Download, Full Data Roster. Please check your contact information for accuracy and advise if it is incorrect.

Recall that a feature of the member rosters is that by checking the "Full Data" roster a member can easily determine his dues status. The year listed in the data is the year through which the member has paid his dues. We still have a number of members who were paid up through 2019 but have not as yet paid their 2020 dues which were due on Dec 31. Paying your dues prior to the end of the grace period of April 30 will aid your volunteer officers in their record keeping duties and will avoid the hassle of renewing your membership if you have been removed from our "good standing" list.
