

The sad news that Golden Eagles member Larry Camden has taken his last flight west was just received from Golden Eagles member Dennis McDonald. Dennis states that he was contacted by Larry`s wife Beverly who told him that Larry had passed away peacefully at home with his family present. Larry had been ill with cancer for some time.

The Golden Eagles sends condolences to Larry`s

family and wishes them peace and comfort at this difficult time. Rest in peace Captain, and Godspeed on your final flight.

There are no other details available at this time, but they will be provided when they are received.
