Karla Gee and the Goldman Family said goodbye last night to Captain Larry Goldman who fought his battle for 12+ years with Lymphoma . His Family will have a private service but appreciate all those who loved and respected him. Larry's crowning achievement as he would say were his sons who followed in their Fathers footsteps in the love of Aviation. Larry's pride was working for Continental and all of his friends and valued co-workers. Captain Goldman has a new pair of Wings now.
