

Golden Eagles President and Golden Contrails magazine editor Gary Small has announced the publication of the August issue of the Golden Contrails magazine. Our webmaster, Bruce Sprague, has announced that the magazine is now on the Golden Eagles website, www.thegoldeneagles.org under Contrails, Magazine Download. The new password for accessing the Golden Contrails magazine, the member rosters and the archived blast emails is **altimeter**.

The printed copy of the Golden Contrails is in the mail and should be delivered to those requesting postal delivery of the magazine within a few days. This will be the next to the last printed copy of the magazine produced, and the last printed issue to be delivered via the U S Mail will be published in December, 2020. As previously mentioned, this final printed issue will contain several unique features, including photos of all Golden Eagles members and a hard copy of the latest member roster. If you have not provided Gary Small with a passport size photo of yourself for the roster, please do so in order to have your photo included in the final issue of the Golden Contrails magazine. His email address for this purpose is smallgd@gmail.com.

The Golden Contrails magazine will continue to be published in a digital format three times a year for online viewing subsequent to the final printed issue being published in December, 2020.
