

The Executive Administrator for the UALMEC has requested that we share this information with our members in order to reach the recent retirees who may be affected by the provisions of the new United Pilot Contract.

From the Executive Administrator for the UALMEC:

Since we have a retro portion of the contract, we have had some retired pilots asking questions and I was wondering if you might be able to distribute the following information to your membership.

The most important thing we want the retirees to know is that there is a website called <https://upa23.com/>. It is not behind a firewall so anyone can look at it. The page most will want to see is the signing bonus (retro) page, which is on page 26 of the following linked document. <https://d2r1lrrqctgamh.cloudfront.net/UAL/TA/upa23-aip-v1-2-2023-07-15.pdf>

Also, we urge all retirees to ensure the company has their updated mailing address.

As clarifications arise the online document will be updated, and additional reference material will be added, so please check back often with questions.

Thank you so much,
First Officer Quincy Fleming
