

The sad news that Golden Eagles member and former Continental pilot Bill Darrow has taken his final flight West was just received from Golden Eagles member George Lycan. Apparently Bill had been dealing with Cancer for some time and he passed on May 29, 2020.

Bill was hired by Continental on April 28, 1968 and he medically retired in mid 1970.

The Golden Eagles sends condolences to Bill's family and wishes them peace and comfort at this difficult time. May Bill have clear skies, smooth air and favorable winds on his flight West. Rest in peace Bill, and Godspeed on your final journey. You will be missed.
