The sad news that former Continental Captain Howard "Tick" Loitwood took his last flight west on Saturday, March 14, 2020 was just received from Golden Eagles member Captain Don Burrows. Apparently Tick had been ill and passed peacefully in his sleep. He had refused additional medical treatment near the end of his undisclosed illness.

The Golden Eagles sends it's condolences to Tick`s family and wishes them peace and comfort as they say goodbye to their loved one. Tick`s widow, Barbara, stated that there will be a memorial later in the year and details will be announced. Her email address is [barbaraj@zoominternet.net](mailto:barbaraj@zoominternet.net)

God speed Captain on your final flight West.
